Vikings In Final Week Of Regular Basketball Season

Traverse, Lake City Wind Up Sked

The Grayling High Vikings went into their final week of basketball as far as their regular season schedule is concerned with one game on the district tournament at Gaylord early in March. Grayling, Gaylord, Mancelona and East Jordan will compete in the district tournament.

This week, the Vikings' final two games take them away from home. Tuesday they tie into an extremely strong Traverse City St. Francis five at Traverse City and Friday go to Lake City for their final game of the regular season and their last conference game.

Last Friday, the Vikings bowed to Marion by a 53 to 47 score. The first quarter Marion grabbed 18 to 10 lead and that was the ball game. Grayling outplayed the host team during the next three periods of play but were unable to make up that first period deficit and dropped an important conference contest.

In the second quarter, the Vikings outscored Marion 14 to 10 to set the half end 29 to 24 in favor of Marion. In the third period, Marion scored 11 to Grayling's 10 while the fourth period brought

13 points to each team.

In the final few minutes the Vikings lost Jim Burch, Dave Owen, Marvin Bielski and Duane Worden all via the foul route which might have been the cause of the loss. Marion lost Gunnell, a guard late in the game also on fouls.

Burch led the Vikings scoring with 16 points with Owen adding 11, Allen Lucksted 10, Bielski 6, Worden 3 and Ted Davenport 1. Orvis with 17 lead the visitors.

F. J. Mills To Speak At M. M. Church

Sunday, February 24th will be Layman Sunday at Michelson Memorial Church and the service is to be in charge of the Men's Club. F. J. Mills, former resident will make the address. Rev. R. C. Puffer is spending some time in Washington, D. C.

The emergency commission on defense contracts has moved on Washington in an effort to alleviate the jobless situation in Michigan's industrial areas. Current efforts are to set up plans to establish industrial subcommittees to help plants get contracts. All major employers have been asked to submit quarterly estimates on projected employment so the commission and its subcommittees can work ahead to forestall future crises.

P. T. A. NOTICE This month's P. T. A. meeting will be held at the South Side School on Wednesday evening, February 27. Dr. J. F. Cook will speak on fluorine treatment for children's teeth and movies will be shown on the same subject.

Several of Mr. LeRoy Christian's band members will be present.

Kiwanis Club Notes

Dr. F. L. Rector, secretary of the Cancer Control Committee of the Michigan State Medical Society was the speaker at the regular weekly meeting of the Kiwanis Club of Grayling held Monday evening at the Lone Pine Inn.

He spoke on the early detection of cancer and the methods of combatting it when found. His talk was most informative and was enjoyed by the members.

Dr. J. F. Cook and Judge Ray Clement were appointed by President Max Davenport to represent the club in discussions on fluorine treatment of children's teeth in the towns of this area.

The club bowling team entered the Kiwanis division bowling meeting held at Prudenville last Sunday and walked off with the title. Dr. Cook and Dr. S. A. Stealy placed second in the doubles competition.

Since the patients had received early diagnosis the trouble was cleared up in one or two short treatments and they are healthy and happy again.

When one considers the goal last year was \$325, and about \$150 was returned and that we were able to save the lives of two for a great deal less than \$150, the Society believes the few dollars spent were a Godsend.

Because of early detection on the part of doctors and the willingness of two brave people, the Cancer Society was able to send them to Detroit for special treatment.

The strongest step toward securing peace which our country could take would be to provide training for every able-bodied young man," said Mrs. Martin. "This would show the aggressor nations that the United States intends to maintain defenses strong enough to ensure their defeat should they ever attack the free world, and if anything can, will turn their thinking into peaceful channels.

"UMT is a long-range plan, designed to create a large force of trained reserves, constantly replenished, ready immediately to defend America. It would place every young man in the reserved forces, not just the patriotic few who have been called to duty in the Korean War, and would train them for the highly technical duties of modern war. It would provide a broad, democratic basis for a national security system which, by its very existence, would make dictators more eager to talk peace than war.

In its present form, the UMT calls for six months training at the age of eighteen, to be followed by seven and one-half years in the reserve forces, for all qualified young men."

Cooking Demonstration Draws Good Crowd

A cooking school demonstration at the Peterson Hardware Company last Friday evening drew a crowd of 80 people.

The school was handled by Mrs. Mabel Coss, home economist for the B. & W. Distributing Company of Grand Rapids and Mr. Harold Hartman, Hot Point service manager of Grand Rapids.

Mrs. Coss demonstrated and discussed cooking on an electric range, the use of a home freezer, packaging of foods, etc. Following the school, refreshments were served.

Firemen Sponsor 2 Games, Dance For Community Building Fund

Two basketball games followed by a dance is being sponsored at the Grayling High School Gym Friday by the members of the Grayling Fire Department for the benefit of the Grayling Community Building Fund. The affair is being handled by Chief Amos Hoessl and Robert LaMotte. The first game starts at 8 P. M. sharp and will pit a team of Grayling firemen against a team billed as the Gaylord Stars. Little is known about the visiting team but it is known that the Grayling team will unveil a court star of outstanding stature at game time.

Last Saturday night at the Gym, the Saginaw Naval Reserve brought two teams into the gym to meet Bear Archery in the first contest and Hanson's Chevrolets in the second.

The Navy boys defeated the Bear Archery in the first contest by the narrow margin of three points in a wild fought battle. The Archers after being behind 11 to 1 fought back to a tie mostly on the strength of Chuck and Hank Feldhauser. The Saginaw team kept up a strong offensive pressure, however and finally won the victory.

In the second contest, Grayling took the measure of the Saginaw Navy lads, 54 to 50 in a good game. Grayling held a 34 to 29 lead a halftime and played the visitors even in the second half to win the game.

Big Jim Rutledge with 24 points was the scoring luminary for Grayling with Ed Smith adding 11. Hank Feldhauser 8, Ross Thompson 5, Chuck Feldhauser 4 and Sandy Goodrow with 15 and Steve Murin with 11 led the Naval Reservists. One of the best crowds so far this season turned out for the two games.

The Chevrolets after their Friday night game here travel to Bay City on Sunday to tangle with the powerful St. Stanislaus A. C. there.

Youth Fellowship News

First I shall give a general report on the past activities.

The youth group had the esteemed pleasure of hearing one of the greatest organists in the United States, when a few weeks ago, they journeyed to the Gaylord Methodist Church. Our group went to Morristown, where they put on a musical program in the evening.

On March 2, 1952, we are having Morristown at our church for a meeting of worship and recreation. We are hoping all those that have ever come to our M. Y. F. group will be there. It should prove very interesting and enjoyable.

Grass Roots Opinion

Corvallis, Ore., Gazette-Times: "The government is like any family. There are many desirable things each wants, but they should not be purchased until such time as they can be afforded. Now is the time to economize, and the sooner Congress and the President realize it the better."

Ouray, Colo., County Herald: "Now, while we are opposed to be fighting for the freedom of the world at large, our federal government has gone into California and grabbed an entire river that has been supplying irrigation for farms and villages for fifty years in undisputed possession. . . . It looks like we had better do a little fighting at home to put the federal government in its place or we will be as badly off here as the Russians are."

Fairfield, Iowa, Daily Ledger: "The place to insure good government in the future is in the caucuses and the primaries. If the qualified voters neglect the caucuses and primaries and permit designing politicians to foist grafting office seekers on them (the people) they should not complain. Our election laws plainly vest the right of selecting candidates in the people. If the people fail to exercise their right it is their own fault."

Eagle River, Wisc., News-Review: "The thought came to us that if you want to know the results of letting the government take over every department of our life, all you have to do is look at an Indian reservation, where there is no opportunity and no hope for advancement."

The Citizens caucus to nominate village officers was held Monday evening at the Court House. The meeting was called to order and roll call read by Dr. C. R. Keyport, chairman of the committee. Dr. Keyport was elected temporary chairman; O. P. Schumann, secretary and Herbert Gothro, Roy Milnes and Lee Jorgenson were appointed tellers by the chairman. The following candidates were nominated: President, Christian W. Olsen; clerk, Lorane Sparkes; treasurer, Herluf Sorenson; assessor, James W. Sorenson; trustee, Alfred Hanson; trustee, E. G. Shaw; trustee, Thomas Cassidy.

Mrs. Holger Hanson is recovering from a severe attack of the flu.

Mr. and Mrs. Lorane Sparkes entertained Dr. and Mrs. Charles J. McCann and little daughter of Bay City Sunday, the McCanns taking in the thrills of the toboggan slide while here.

Mr. and Mrs. William Williams are happy to have with them again their daughter, Bertha, now Mrs. George Lutz and husband of St. Louis, Mo.

A chimney burning out at the Tracy Nelson residence Tuesday afternoon called out the Grayling Fire Department, and Wednesday morning the department made a run to the Efner Matson home on Cedar Street, where the roof was discovered on fire.

Mr. and Mrs. Frank L. Michelson and three sons, Louis, Frank and Nels of Detroit are sailing tomorrow from New York City on a trip to the West Indies.

M. A. Bates returned Tuesday from a few days spent in Pontiac and Lansing. Mr. Bates and his son-in-law, Ben Jerome of Lansing have owned a piece of land in Pontiac for some time and recently had a large public garage built on the site, which they leased to other parties. The grand opening was held the first part of the week so Mr. Bates went to be in attendance.

Mrs. George Miller is in Bay City this week, the guest of her daughter, Mrs. Oliver Cody and family.

Mrs. Alfred Hanson returned last Friday from a pleasant visit with the Edward Creque family in Flint. Mr. Hanson drove to Bay City Thursday to meet her.

Mr. and Mrs. Menno Corwin are in West Branch today to attend a wedding anniversary celebration of the latter's sister and husband, Mr. and Mrs. C. J. Sarros.

Miss Jean Elizabeth Brady celebrated her sixth birthday, February 14 by inviting ten little girls to help her celebrate it. In the hearts and cupid contests, prizes were won by the little Misses Ruth Burrows and Jerrine Peterson.

46 Years Ago — February 22, 1906

Station Agent Herrick is breaking in a new crew this week on account of Marvin and Trumbly going west. N. P. Olson goes into the freight office, Mr. Lingney of Lewiston takes Marvin's place and Mr. Flagg of Frederic is in Trumbly's chair.

John Niederauer, Jr., came near going to heaven by the Baptist route Monday, by falling backward off from the ice where they were cutting, into 30 feet of water. Luckily he came to the surface in the opening and was rescued. He acknowledges that the bath was too cool for comfort.

There came near being a fire at Mrs. Sim's boarding house in Lovells last Friday night. A cat which had been left in the house jumped upon a shelf knocking down a bunch of matches which

ignited as they fell on the floor. This so scorched the cat that it ran to a sleeping room mewing so loudly that Mrs. Sims awakened and was able to extinguish the fire.

Miss Shirley Jensen, Grayling High student who recently won the Crawford County cherry pie making contest was in Grand Rapids last week Tuesday, Wednesday and Thursday where she competed in a state meet. 46 counties were represented and the crown went to Rosemary Sedlack, 18-year-old Leland High School senior and farm girl from Omena. She was crowned by Governor G. Menno Williams. Miss Sedlack, a slender brunet, will compete in the national finals at Chicago for the title of National Cherry Queen.

ignited as they fell on the floor. This so scorched the cat that it ran to a sleeping room mewing so loudly that Mrs. Sims awakened and was able to extinguish the fire.

Dr. Knapp of Johannesburg fulfilled his promise by taking the schoolhouse for a sleighride last Sunday afternoon. Mrs. Knapp accompanied them.

IF YOU WANT HIM, KEEP HIM TIED UP

Every year we appeal to you to take care of your dogs during the late winter and spring, and prevent them from running deer. This appeal for the most part had fallen on deaf ears. We need not

explain the condition of the deer during this time of year, heavy with fawns, and in a starved condition, every one knows of these conditions. In the past week there have been at least 8 deer killed by dogs. These deer killed by dogs will never grace a hunting camp in future years. They cannot be utilized in any way shape or manner after a pack of dogs rip them literally to pieces, and many times rip them to shreds while the deer is still alive.

It has been explained in previous articles, the heavy penalties for allowing your dogs to run deer. We are again asking your cooperation in this matter, and if your dog fails to come home, or if you find yourself in court to answer to a complaint of allowing your dog to run deer, remember back to the many times you have been

reminded of the deer-dog situation.

**Jiggs Gets Four "Hot-Foots"**

Cappy Miller's bought himself a new car. We won't be seeing his old jalopy bouncing over the back roads any more. I'm going to miss it, too.

Many a morning Cappy and I drove off in that rattletrap for a day's hunting or fishing. We'd pile rods or guns in back, and prop open the trunk compartment—so Jiggs, Cappy's pointer, could jump in and go along.

They say when Cappy brought the new car home he opened up the hood to show off the engine—and poor old Jiggs hopped right

**It looks like a "POWER YEAR"**

New Horsepower—new Brake Power—and new Power Steering blossom on Buick's ROADMASTER for 1952

MADE you've heard—horsepower has hit a new high on the ROADMASTER.

Brake power has done the same.

But today, we'd like to concentrate on the third member of the power trio—Buick's own version of Power Steering, available on ROADMASTER at a moderate extra cost.

What is this Power Steering like? It's something like a helping hand, something like a "hydraulic slave"—that relieves you of all steering strain, but lets you keep command.

What we mean is this:

Power Steering is handled by a special hydraulic unit—and engineers can design this unit to take over any amount of steering effort—even to a point where the wheel seems to float in your hand.

But in that case, you'd surrender all control to

that hydraulic unit—get no steering "feel" from the wheel.

Now suppose you're telling two agile tons of automobile what to do in traffic. We think you'd like to have it know that you're in command.

And—out on the straightaway—we believe that a part of the joy you get from owning a Buick is the sensation of having something alive and eagerly willing beneath your hands.

So we're glad to announce that Buick engineers didn't spoil this thrill. They've kept the fun of driving, and simply eased the effort.

When you're rolling along smooth and straight, it takes almost no effort to keep any Buick on course. It almost steers itself, as every Buick owner knows.

But—when you want to get away from a curb

—back into a parking spot—make a turn—Buick's Power Steering comes into action, saves four-fifths of the effort required with ordinary steering. Power Steering does the extra work.

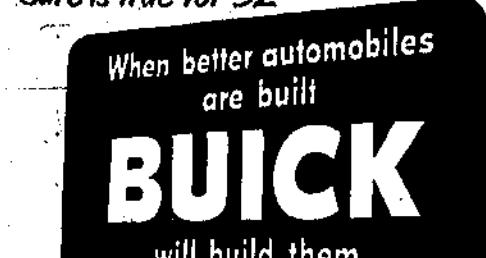

And—in case you wonder what happens if Power Steering gets out of kilter, the answer is nothing. Your Buick steers just as it always has.

That's why we've been saying, "This is Power Steering as it ought to be."

Come in. Try it out. We think you'll agree.

Equipment, accessories, trim and models are subject to change without notice.
